

Introduction

In compliance with Part V, Section 19(b) of the Public Procurement Act 2007 which tasks the Bureau of Public Procurement with the responsibility to screen Civil Society Organisations (CSOs) that will observe Procurement Processes in MDAs, a compact and updated list of accredited CSOs capable of observing Procurement Processes has been carefully compiled in this booklet.

The booklet is a synergy of details from Civil Society Organisations (Volume I & Volume II) and also includes details of newly accredited CSOs. Therefore, this booklet supersedes previous editions. Also, these CSOs shall be guided by the Code of Conduct as published already by the Bureau of Public Procurement(BPP).

Please note that this list is by no means exhaustive and would be regularly updated as more CSOs are screened and qualified to partake in Procurement Processes.
