Admiralty Conference Center,
Victoria Island Lagos

Abuja

3rd Feb, 2022

9:00 AM

Nicon Luxury Hotel Area
11 Garki,

About the Project

In fulfillment of its statutory functions, the Bureau of Public Procurement (BPP) is introducing an electronic public procurement system for the government of Nigeria.

The move towards online/electronic procurement is expected to benefit the government through efficiency gains and cost savings, the suppliers through easy and equitable access to information and opportunity for participation, and the public at large through enhanced transparency and accountability
